

# Local Bus Service Change

As from 5th January 2009, the 62 service will operate a newly registered timetable. The new timetable will incorporate changes to the morning and evening journeys between Magor and the Severn Tunnel Junction Station. The new morning timetable has been moved 10 minutes back to allow passengers more time at the Station.

The evening timetable change will allow the 62 service to wait up to 10 minutes past the scheduled timetable which is aimed to cater for late trains.

Please find the new timetable below:

## Magor • Caldicot • Caerwent • Sudbrook
